

~~~ METRO AREA JOB CLUBS ~~~  
Updated 3/15/10

**Job Transition groups host guest speakers and offer group discussions on topics related to job search, an opportunity to network for job leads and the chance to gain support from other job seekers. Please share the list with Out Placement Firms, Recruitment Firms, Temporary employment firms, Churches, Work Force Centers and all individuals seeking employment so they can choose a group that meets their needs at a convenient location.**

| <b><u>Group</u></b>                                                                 | <b><u>Location</u></b>                                                                                                                                | <b><u>Meeting Time</u></b>                                                                                                            | <b><u>Format or Specialization</u></b>                                                                                                                                                                                                                                                                                                                               | <b><u>Contact</u></b>                                                                                                                                                                         |

Hotline: 952-826-7011 |
| TECHNICAL FORUM | Christ Presbyterian Church
6901 Normandale Road
Room 107 | Fridays 10:00 to 12:00 | First there will be an introduction to the group, a brief _check about what each participant has been doing in her/his job search since the last meeting and then an opportunity to discuss issues in job search.
2. Large Group Presentations. Participants will present to the group actual activities / accomplishments from a past job using the white board or a computer projector much as one might do in an interview, handling questions and suggestions. Thus participants will be keeping up their technical skills and seeing and hearing how other people present technical information.
3. Small Group - Triads. In this segment, there will be three roles within the group: interviewer, interviewee and observer. After a few questions, the roles will be rotated. (30 minutes). | Stan Brown at 952-943-0718 |

Prepared and up dated by a fellow networker.

Please contact Bruce Hanson at bghanson@msn.com with any changes, corrections, additions.

I am a versatile & adaptable manager, with strong interpersonal skills and the ability to communicate and lead at a technical and non-technical level. A manager of hardware & software: customer service, field service, system, and application engineers in manufacturing, & operations. Working globally, in the areas of IT Mgmt., Production Automation, System Certification & Integration, SCADA, IC Etch & ATE, Telecommunications & Radio. Specializing in putting systems together, getting them installed, keeping them running, & training, by managing production & service personnel, vendors, integrators, distributors, & mfg's rep's.
